## Definition of UFO (Unidentified Flying Object)

I believe UFO existed, as there is evidence provide in US Congress. I don't know what it is UFO, but if God can create heaven and earth, Nephilim, fallen angels according to Bible, then the existence of UFO will not make God's irrelevant.

When I was young, the science class teacher taught Kepler theory. The three laws of planetary motion, which describe how planets orbit the Sun in elliptical paths, sweeping out equal areas at equal times, with their orbital periods related to their distance from the Sun. Back then, I am not a believer, but it is amazing for me.

Johannes Kepler, the astronomer, believe in Christ. Quotes from him as below.

- The chief aim of all investigations of the external world should be to discover the rational order and harmony which has been imposed on it by God and which He revealed to us in the language of mathematics.
- The wisdom of the Lord is infinite as are also His glory and His power. Ye heavens, sing His praises; sun, moon, and planets, glorify Him in your ineffable language! Praise Him, celestial harmonies, and all ye who can comprehend them! And thou, my soul, praise thy Creator! It is by Him and in Him that all exist.

Also, DNA, the nature proved that there is the intelligent Creator, who is omnipresent, (無所不在) omniscient (全知), omnipotent (全能)。

We may not understand everything in our own limited knowledge, but we can ask God to reveal His knowledge through His Word. Lastly, our core faith is we believed Jesus died for our sins and resurrected three days to purchase a place in Heaven for us. (Reference; Acts 4) From worldly perspective, we never saw resurrection, but I believed it is true and look forward to that day.

As a data analyst, I gathered raw data and converted it to reports which will make sense to the team. I like this verse which I found related.

“As to this salvation, the prophets who prophesied of the grace that would come to you made careful searches and inquiries, seeking to know what person or time the Spirit of Christ within them was indicating as He predicted the sufferings of Christ and the glories to follow.” 1 Peter 1:10-11

Thank you for reading this long share. Nowadays, I cannot fully trust news, as most of them Are propaganda. AI is a useful tool, but I am cautious that it could be good tool for Satan to deceive and confused us. Therefore, bible is the only source for me to discern true.
